

Gather 'Round Your Troops for the Holidays

*“Dear Operation Stars & Stripes,
Thank you very much for the Mary Kay products! My wife told me they’re very good...Of course, more meaningful than the contents of the package is the knowledge that you’re thinking about the troops. There are lots of young soldiers here who need to know people back home care. Thank you for that. With my most sincere regards,
Peter, Captain, United States Navy”*
